**Welcome to the Basque  
Country, the land of  
Basque dance, and food.**

**Most people know Spain,  
Portugal and France, but  
for many people the

## SALVATIERRA:

**The Basque Country is a province of mountains.**

**It has got seven territories, its own culture and its own language.**

**It is usually rainy.**

**One of the Basque Countries territories is Alava. The most important city is Vitoria Gasteiz.**

**In this territory there are many towns, for example Agurain Salvatierra.**

**Agurain is a small town in the Basque Country. There live about 6,000 people.**

**It's a great place to live.**

**There are different things to do there.**

**There are some sports facilities in my town, for example: a sport centre, a swimming pool...**

**I play basketball. I go to the sport centre to practise basketball. I train three times a week.**

**I play for Agurain basketball team.**

**In Agurain you can play different instruments at the Music School. I go to this school to play the txistu, which is a Basque instrument. You can play the txistu with a small drum. It is an air instrument with three holes.**
